

Help us sponsor Elmwood athletics

Last March the Elmwood All Outdoors Show raised more than \$25,000 for athletics and the athletic boosters at Elmwood High School. We attracted more than 5,000 people to a two-day show that earned rave reviews from attendees, vendors, workers and community members. Our challenge is to put on an even better second show March 5-6, 2011. And we want you to be part of the fun.

Once again, the non-profit event will raise money for

Elmwood athletics and will feature fishing- and hunting-related vendors and a big-buck contest. The show will also showcase our community. Please join us as a sponsor.
